On May 4, 2010, officers were dispatched to the 300 block of West Coler Street in reference to a non-injury traffic accident.

I arrived and spoke with both parties involved. No one was injured.

Jessica Miller, driving a black 2010 Chevrolet Silverado, backed from her parking space in front of Fastrip and backed into vehicle 2. Ms. Miller's vehicle was parked facing south in a parking space in front of Fastrip. Ms. Miller backed north, out of her parking space, and struck vehicle 2, a white Dodge Stratus, which was sitting at the gas pumps. There was a very small scratch on the rear bumper of vehicle 1 which Ms. Miller said was the only damage to her vehicle.

The owner of vehicle 2, Georgeannia Wright, had just pulled her vehicle to the gas pumps and placed the vehicle in park. Ms. Wright said she and her passenger were still seated in the vehicle at the time of the collision. Ms. Wright said she saw vehicle 1 backing towards her so she honked her horn but vehicle 1 continued to back toward her and collided with the front driver's side of her vehicle. Ms. Wright showed me her passenger side headlight that was broken. Ms. Wright said this was the only damage.

Both vehicles were driven from the scene.
