PURPOSE:

To request Council discussion/consideration to change the start time for future Council Meetings to 6:00 pm.

BACKGROUND:

Typically the staff will stay at work the evenings we have Council meetings. It's not unusual for our meetings to run until 8:30 before going into closed meeting. The staff (like the Council) has to be back at work the next morning. By starting the Council meeting an hour earlier it would get the staff and the Council home earlier.

RECOMMENDATION:

City Staff ask that Council provide guidance on how to proceed.
