Dear Chief Eads,

I would like to personally thank you and your entire Department, particularly Fire Captain Derek Williams, Engineer Jacob Pim and Fire Fighter CJ Hutchens for providing the support to honor our departed brother, Fire Fighter Harold L. Ralston (Ret.), on May 5, 2018. Fire Fighter Ralston served 33 years on the Boston Fire Department with Engine Company 32.

Chief Eads, you and your men exceeded all expectations by not only providing uniformed members to his funeral, but by also providing an apparatus to honor him. This truly exemplifies the professionalism and dedication of the Nesho Fire Department. Your leadership is a great example of how the fire service never forgets and always respects those that have gone before us. The Boston Fire Department is truly grateful for your support.

Please accept my most heartfelt thank you for taking the time to honor our departed brother, Harold, and his family.

Sincerely,

Joseph E. Finn
Commissioner/Chief of Department
