Subject: Good Job

Chief Kennedy received a call this morning from a citizen that wanted to express her gratitude for a job well done. This citizen works at a local business (Check into Cash) and said she really appreciated being checked on daily by Sgt. Leavens. She commended him for his wonderful and pleasant attitude and said he is a very professional police officer. It's the first time I've seen Chief Kennedy smile in several months, so great job Sgt. Leavens!!
