9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)																																																																																									
<p>I received a call from Central Dispatch Center stating a traffic crash occurred in the area of West Harmony Street and South Neosho Boulevard. Dispatch stated the vehicles moved to a nearby parking lot.</p> <p>I arrived and saw a silver 2009 Nissan Altima with damage to the center rear bumper displaying Missouri registration (WL4T1M). I spoke with the driver of the vehicle, Vinod Kumar. Mr. Kumar said he was at the yield sign planning on going west on West Harmony Street. He said he began to go then realized another vehicle was coming. Mr. Kumar said he stopped and the vehicle behind him struck his vehicle.</p> <p>I saw a red 2014 Dodge Caravan with damage to the front bumper displaying Missouri registration (DK1C1S). I spoke with the driver, Jennifer Leggett. Ms. Leggett said she was stopped behind the Nissan waiting to go west on West Harmony Street. She said the vehicle in front began to go and she looked to the left to make sure there were no cars coming. Ms. Leggett said when she looked forward she saw the Nissan stopped again but she was unable to keep from hitting it.</p> <p>Neither party was injured in the crash. Both vehicles were able to be driven from the scene.</p> <p>Nothing further to report.</p>
